Committee on Geographic Names
Mountaineering Club of Alaska
Box 2037
Anchorage, Alaska 99501

Dear Mr. Hoeman:

As requested in your letter of July 17, we enclose copies of Form 9-1343A, "Domestic Geographic Name Proposal."

We appreciate your calling our attention to the apparent misapplication of the name Polar Bear Peak in the Board on Geographic Names decision. Since the Dictionary of Alaska Place Names is now in preparation, it would be desirable to have the necessary information on this case as soon as possible, so that the decision can be reviewed by the Board.

Sincerely yours,

J. O. Kilmartin
Executive Secretary
